## QUALIFICATION

| | |
|---|---|
| Expert | 260 |
| Sharpshooter | 210 |
| Marksman | 160 |

Notes: 1. When the revolver is being fired, firers are issued number of rounds required to fire a specific table. Officer in charge of firing establishes procedure for loading and reloading. All reloading is controlled; however, time allowed for target engagement is not changed.
2. Tables 1, 2, 5 are fired for familiarization and instructional firing.
