- A child's eligibility ends on their 26th birthday unless you specify an earlier end date. You can modify and/or revoke months between any dependent you originally transferred months to – even after you separate from service. **You must be currently serving to ADD a new dependent**

4. How Do I Apply?

Step 1: Contact the VA

- ✓ Call 1-888-GIBILL-1 and ask the VA rep how many months you have remaining in each GI Bill program.
- ✓ If you are only eligible for one program, subtract those months from 36. This is the number of months you are eligible to transfer.
- ✓ If you are eligible for more than one program, subtract the total months from 48. You may transfer this number of months or 36 months, whichever is less.

Step 2: Complete Extension (If required)

- ✓ If you do not have 4 years remaining on your contract from the date you complete the TEB application, you will need to extend.
- ✓ A TEB request will not be approved until the new ETS is reflected in SIDPERS and GIMS.

Step 3: Complete Application for Transfer

- ✓ Log into milConnect <https://www.dmdc.osd.mil/milconnect/>
- ✓ Verify your dependents are listed as eligible to receive the transfer
 - Your dependents will be listed in the List of Family Members chart.
 - If your dependent(s) is under 23 years old and is identified as ineligible, contact your DEERS office to enroll that dependent into DEERS.
- ✓ Enter the number of months you wish to transfer to that dependent
- ✓ Entering a Transfer End Date is optional, and not recommended. If left blank, the dependent will receive the longest period of eligibility allowed by law.
- ✓ Click the OK button.
- ✓ Repeat for each dependent you wish to transfer months to.
- ✓ Recommend at least 1 one month per dependent to make it possible modify/transfer months between dependents at a later date.
- ✓ Complete the application by reading every statement and selecting EVERY check box. **Be sure to click the SUBMIT button.**

Step 4: Access AKO Email and follow TEB email instructions

- ✓ The GI Bill Support Team will review your application and send approval instructions to your military email.
- ✓ Once you have met all the requirements, you will receive a TEB APPROVED email from the GI Bill Support Team.

Step 5: Dependent Application to VA

- ✓ When ready to attend school, your approved dependent(s) apply for the Post 9/11 GI Bill by completing the VA form 22-1990e on the Department of Veterans Affairs Veterans Online Application (VONAPP) at: <http://vabenefits.vba.va.gov/vonapp>. In the middle of the page, you will see a light gray box that has three tabs on top. Click on "Apply for Benefits" tab and then click on the link to Apply for Benefits.
- ✓ Notify the VA Certifying Official at your school so they can certify your enrollment
