

St. George LTA

Call Camp Williams Range Control at (801) 253-5733 to schedule this training area.

- General Rules of Use**
1. Watch out for other users.
 2. Do not stop, train or excavate in water channels, whether wet or dry.
 3. Do not collect artifacts, historical items: arrowheads, pottery, fossils, etc. -- it is a violation of federal and state laws.
 4. Do not purposely disturb wildlife, nests or dens.
 5. Do not cut or purposely disturb vegetation for concealment.
 6. Restore soil to contour. Report disturbed areas to Range Control for restoration per Section 4.7 Mitigation, Environmental Assessment
 7. The Environmental Assessments, mandated by the National Environmental Policy Act (NEPA), can be found on the Environmental Resources Management website under "Documents"
 8. Do not train south of "No-go" line (designated on map), marked on-site with yellow flex-posts, due to Endangered Species habitat. It is a violation of the use agreement and the Endangered Species Act, which can have serious personnel and agency penalties. For more information, contact Environmental Resources Management, Utah National Guard.
 9. Excavations are not allowed on this LTA.

Maps in Adobe Acrobat format can be found on the Camp Williams webpage under the heading of Downloads
