Travel funds available for students attending mandatory courses at NGPEC under school code 922, will be centrally managed by PEC Resource Management Office utilizing the cross organizational function of the Defense Travel System (DTS). Line of Accounting will be emailed to students having reserved seats in ATRRS thirty days prior to class start date.

NGPEC School Code 922 courses for which travel funds are centrally managed at PEC are attached.

Following information applies to students training at PEC:

- Government billets are furnished at no cost. Provide a copy of travel authorization to PEC Registration upon check in.
- Government meals are not available. Per diem is \$56.00 a day plus \$5.00 incidentals.
- Transportation is provided. Rental cars not authorized.

Students may create their authorization in DTS any time after securing a reservation in ATRRS. Students should type the ATRRS course number and "PEC funded" in DTS Trip Description block. When DTS approvers see this comment, they should not approve the authorization until the PEC line of accounting has been sent and selected.
