Utah Guard Opens Remodeled Brigham City Armory

DRAPER, Utah – The Utah National Guard will hold a ribbon-cutting for the remodeled armory in Brigham City Wednesday, June 22, at 6 p.m.

Home to Detachment 1, Alpha Battery, 1-145th Field Artillery, the Brigham City armory was built in the 1950s. The \$1.1 million project included the following improvements:

- New windows, paint, carpet, ceiling tile and landscaping
- Heating and cooling system upgrades
- Expanded and ADA-compliant restrooms and building-access ramps
- Communication and data-system infrastructure
- Covered storage facility for M109A6 Paladin howitzers
- New asphalt parking area and loading ramp

In conjunction with the ribbon-cutting, Brigham City and Utah Guard officials will sign a Community Covenant, a formal commitment of support by local communities to Servicemembers of all military branches and their families – active, Guard and Reserve – as well as former members of the military. It is designed to foster and sustain effective community and military relationships and to improve the quality of life for Soldiers and their families.

Media Notes: The Brigham City armory is located at 985 N. 500 W. in Brigham City. Please contact Lt. Col. Hank McIntire at (801) 420-4778 for more information.
