1457th Engineers Conduct Demolitions Training

CAMP WILLIAMS, Utah – The Utah National Guard’s 1457th Engineer Battalion will conduct a small demolitions event Thursday, June 14, from 8 a.m. to 4 p.m. at Camp Williams.

The Engineers, known as Sappers, will be conducting the activity on the Camp Williams demolitions range in order to maintain their proficiency.

“Working with explosives is a skill you need to keep sharp. Combat Engineers have a requirement to maintain that specialty and they do it well,” said deputy Public Affairs Officer Maj. Bruce Roberts.

The demolitions event is not open to the public.

Those expected to be most affected by these events are residents of Bluffdale, Riverton, Herriman, Eagle Mountain, Saratoga Springs and Lehi.

For more information specific to range operations contact the National Guard hotline at (801) 878-5421. For media inquiries contact Maj. Bruce Roberts at (801) 716-9052.
