

1. It is highly recommended that students visit the Army e-Learning website to access and complete the recommended reading assignments in SkillPort prior to attending the highly technical IDT. The course manager will be responsible for providing students with the guidance required to complete the training and a copy of the Student Guide Advance Sheet.

2. Students may access the Army e-Learning website through the ATRRS homepage at <https://www.atrrs.army.mil> or through the AKO

homepage at <https://www.usarmy.skillport.com> to access the following SkillPort training courses:

- a. Getting Started with Windows 7
